# DEFINITIONS as applied in ABAV

## Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

## Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

## Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”  
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

## Racism

- “Corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” ([MIDI, 2015](#))

## Discrimination

- “Every person has a right to full and equal recognition and exercise of his human rights and freedoms, without distinction, exclusion or preference based on race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap. Discrimination exists where such a distinction, exclusion or preference has the effect of nullifying or impairing such right.” ([Charter of Human Rights and Freedoms, section 10](#))

## Parent

- “the word “parent” means the person having parental authority or, unless that person objects, the person having custody de facto of the student” ([art. 13, QEA](#))

# 1. ANALYSIS OF THE SITUATION

## Description of the findings that emerge from the situation analysis with respect to bullying and violence

We have observed that students have had reduced social interactions, and this has created a delay in the development of their social skills in general. We have also observed that the impact of increased screen time (video games, Youtube, Tiktok, etc) are also contributing to an increase in negative behaviours at school. At this age, students are still learning how to play and interact with each other. We have had to put a significant emphasis on “keeping hands and feet to yourself”. We have also observed that the term “bullying” is often misunderstood and confused with conflict.

## Priorities identified with respect to bullying and violence

- Ensuring our school community understands the difference between bullying and conflict.
- Creating a school wide approach to social emotional learning.
- Providing social support for students who are struggling with social skills.
- Decreasing levels of anxiety.
- Instill a strong sense of belonging to the school.

## 2. PREVENTION MEASURES

*The ABAV plan must include prevention measures to put an end to all forms of bullying and violence, in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic. Additionally, LBPSB sanctions its schools and centres to carry out measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.*

Obligations of the QEA	
Ensuring a Safe and Caring School Climate	The rules of conduct and the safety measures must be presented to the students during a civics session held each year by the principal in collaboration with the school staff, and must be sent to the parents at the beginning of each school year. <a href="#">(art.76, QEA)</a>
	The principal shall see to it that all school staff members are informed of the school's rules of conduct, safety measures and anti-bullying and anti-violence measures, and of the procedure to be followed when an act of bullying or violence is observed. <a href="#">(art. 96.21, QEA)</a>
	During the month of September each year, the principal of a school providing education to students in the second cycle of the secondary level shall see to the formation of a student committee. <a href="#">(art.96.5, QEA)</a>

### 3. MEASURES TO ENCOURAGE PARENTAL COLLABORATION

Parents are valuable partners and it is important to work together when it comes to taking action to prevent and stop bullying and violence. It is together that we can find the solutions. This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

Measures encouraging parent(s)/guardian(s) collaboration in preventing and stopping bullying and violence and in creating a healthy and secure learning environment.

- The Code of Conduct and the ABAV Plan will be made available to parent(s)/guardian(s); it will be posted on the school website.

Offer training sessions for parents to ensure common language.

*"The Lester B. Pearson School Board believes that the school board's administrators, staff, parents, students and all those present in the school's environment have a responsibility to ensure that the right to be safe and secure is upheld."*

## 6. CONFIDENTIALITY

Reporting incidents of bullying or violence is the right thing to do. It allows everyone to obtain help and put an end to the situation. Reporting may cause discomfort in the person doing it, however, the school will take the necessary precautions to preserve confidentiality.

The measures to protect the confidentiality of any report or complaint concerning an act of bullying or violence are:

- Staff are reminded annually that every incident and the ensuing follow-up must be kept confidential.
- Communication with all parties will be discreet.
- All parties will be treated with respect, discretion and empathy.
- Details of applied disciplinary sanctions will be kept confidential as the law forbids that this information be communicated to other students or parents.

## 7. SUPERVISORY OR SUPPORT MEASURES

It is the responsibility of every staff member to use difficult/challenging situations as opportunities to help students improve their social and emotional skills, accept personal responsibility for their learning environment, and understand consequences for poor choices.

### Supervisory or Support Measures for Victims, Witnesses, and Perpetrators (may include, but are not limited to)

- Ensure a safe, caring, and trusting climate during interventions.
- Put in place necessary measures for the safety of all school community parties and their partners.

  - La Sûreté du Québec (SQ).
- Monitor and follow up after resolution.

## 8. DISCIPLINARY SANCTIONS

The application of disciplinary sanctions will be made following an analysis of the incident(s). The severity of bullying and violent acts are measured by their intensity, frequency, consistency, persistence, context, and impact on students.

### Considerations When Determining Disciplinary Sanctions

- Nature, frequency and severity of the behaviours.
- Relationships of the parties involved.
- Context in which the alleged incident(s) occurred.

([Art.96.12, QEA](#))
